Completed by: _____

Team Name: _____

Date: _____

I have read the below statements and by checking the boxes I understand and will comply:

I understand All teams are required to cook and serve the public on Saturday from 11am-5pm 125 lbs. of meat until all meat is served (Unless competing in whole hog competition – that meat will be for public) and Friday night is optional on public serving.

I understand the Friday Cooks meeting at 4 PM is mandatory for all Teams

I understand that all my stuff for my Team must fit into my space

I understand if I do not specify my tent location or size once it is placed it will not be moved or altered

I understand payment must be made prior to the start of the event, or my team will not be allowed to enter.

Rock 'n Ribs will offer a whole hog competition Saturday afternoon to be judged by KCBS. The meat from the whole hog contest will count as your public sampling meat.

If you are interested, please mark "Whole Hog Competition" below.

Limited to the first 12 whole hog teams. Normal entry fee's plus \$250.00 for whole hog competition.
